

<p>OVERVIEW.</p> <p>Graphic designer with a strong focus on user interface design, aimed to deliver effective experiences through contemporary visual design techniques. In order to do so, time was invested into learning different design practices, such as UX design, web development, animation and prototyping. Main goal is to develop great design thinking, always keeping in mind the bigger picture which goes beyond my specific role.</p>	<p>EXPERTIES.</p> <p>UI DESIGN BRANDING ART DIRECTION HTML/CSS/JAVA SCRIPT PRINT PRODUCTION</p>
